Programme

Monday 05 Oct - Astronaute

Off to the Moon for the first cosmic day. Kids will craft their very own astronaut, ready for space adventure. In the kitchen, they'll bake raspberry muffins as colourful as the planets themselves.

Tuesday 06 Oct - Mini golf

A morning packed with challenges : mini-golf tournament time. Kids will team up on a creative course (+\$15). In the kitchen, they'll bake delicate vanilla madeleines, soft, fragrant little bites.

Wednesday 07 Oct - Système solaire

Setting course through the eight planets of the solar system. Kids will craft their own model of the solar system, from the Sun to Neptune. In the kitchen, they'll get started early on a homemade apple crumble.

Thursday 08 Oct - Extraterrestre

Welcome to an unknown planet full of strange creatures. Kids will invent and craft their very own alien from scratch. In the kitchen, they'll get started early on a traditional French flan pâtissier, golden and beautifully creamy.

Friday 09 Oct - Bowling

To close the journey, a friendly bowling tournament awaits in full galactic-party mode (+\$15). Kids will team up to rack up as many pins as they can. In the kitchen, they'll make fluffy pancakes as round as the full moon.
